OK, so I'm running a little late getting this calendar and the holiday ornament and the new t-shirt designs up, but they are now available to order.

This year's calendar is the 2019 Magic Item Calendar, featuring encounters between your favorite OOTS characters and your favorite classic magic items, with the implicit understanding that they may not be your favorite at all because there are a lot of characters in the strip and a whole lot of magic items published, and there are only 12 months in a year. Still, lots of characters, lots of items. We're offering this calendar in printed form from [Ookoodook](#) and digital PDF form from [Gumroad](#); both of those are pre-orders at this time. The paper calendars should ship out some time around December 10, and the PDF will be automatically sent to your inbox on December 17. I'd like to remind everyone that we have sold out of the hard copy editions during the pre-order before, so if you want to be sure to get a printed calendar, order in the next few days. Like with previous years, we'll be giving \$2 from each calendar pre-ordered to charity, in this case to help the victims of the California wildfires.

And the holiday ornament showcases Lien and Oona this year, with additional new shirt designs that feature Bloodfeast, Greyview, Oona, Zhou Bo, Saha, and literally the entire Outer Planes. You can pick all of those up from [CafePress](#).

For more information or to ask questions, head on over to the [forum thread](#). Thanks, and I hope everyone's having a good season so far.

I just wanted to give everyone a quick update on the status of **Good Deeds Gone Unpunished**, to kind of close the book on the, uh, book. All pre-orders have shipped and it's now in stock and [ready to be ordered from Ookoodook](#) normally. Likewise, the digital PDFs have gone out to all who pre-ordered that version, and you can buy and download an ebook copy right now from [Gumroad](#). Finally, the books are working their way through the retail distribution chain and should start showing up on game store shelves as early as this Tuesday, September 4th.

So that's it! Everyone who bought the book should have it, and it's now available for everyone who didn't buy it yet to remedy that. To be honest, I almost forgot to announce this here because this project has been the smoothest book launch I've had since I started publishing. Usually, this would be the point where I'd be explaining why they're going to be late, but nope! All cool. Weird.

On Wednesday, Project Wonderful, our longtime ad provider for the forums, shut down once and for all. We found out this was coming last month, so we had some warning, but it's not a stretch to say this was still a surprise. This site has never been entirely dependent on advertising revenue—in fact, we've never put paid ads on the actual comic page, just the forum—but it has still come to be a significant portion of our monthly income. In particular, the income we got from it was much steadier than the
